

**NPDES ENFORCEMENT TO SEND INFORMATION REQUEST TO KIEWIT
INFRASTRUCTURE COMPANY TO DETERMINE COMPLIANCE WITH
CONSTRUCTION STORMWATER PERMIT REQUIREMENTS IN
COLORADO**

The National Pollutant Discharge Elimination System (NPDES) Enforcement Unit is sending an information request to Kiewit Infrastructure Company (Kiewit). The request pertains to the I-25 widening construction project between Colorado Springs and Monument, Colorado that began in 2013 and ended in 2015.

Deliberative Process / Ex. 5

Process / Ex. 5

Because NPDES Enforcement led the CDOT inspection, the Colorado Department of Public Health and Environment is supporting an EPA-led investigation of Kiewit. CDPHE is aware of the information request.
